

NEW ALBUM RELEASES

SONGS of faith-hope-and-love

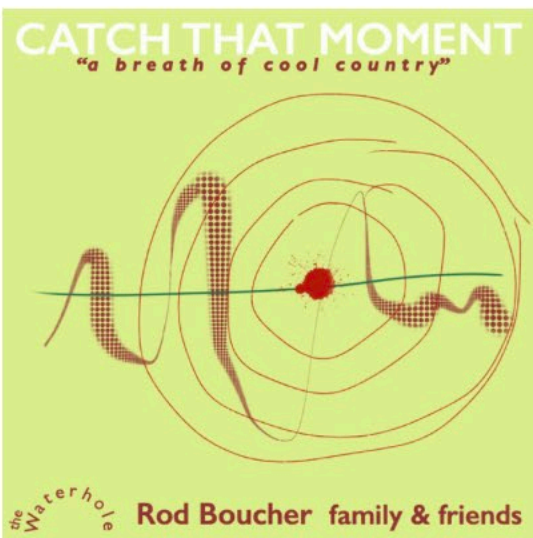

Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

In 1998, Rod Boucher gathered 20 of his songs with a Country flavour and tested the waters for a publisher. This album has finally been released on the SOFHAL website. I hope you enjoy this more 'laid-back' collection of songs that were written over three decades.

We have released the last 20 songs from the GOD GIVES 4 CD album published by "Uniting Education" in 1998. The 9 Christmas songs that we uploaded in 2021 are also accessible on the website leading up to the festive season.

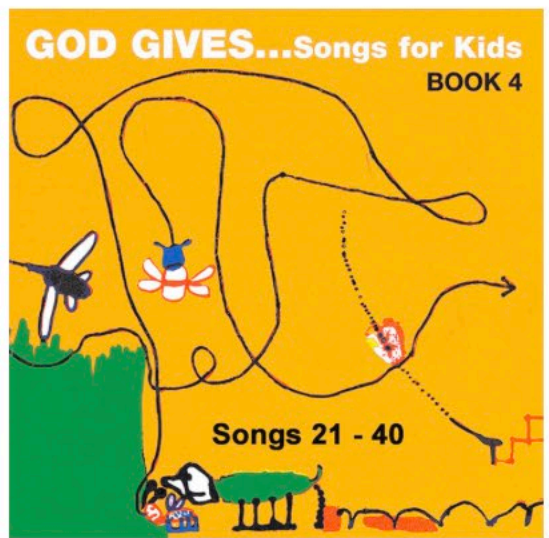

Christmas & New Year greetings to all.

The title album song 'Catch That Moment' encourages us to see every moment of our lives as significant - "one we were created for". Rod's version of 'Traveller's Blessing (Prayer)' was played at Slim Dusty's state funeral in 2003. Relax for 70 minutes to absorb and reflect on a variety of down-to-earth and human experiences.

I hope you enjoy these GOD GIVES 4 songs written by a variety of artists. They touch on prayer, baptism, communion and other life issues that kids face. There is a special rendition of 'We Must Remember' which was composed by children at the 1995 Uniting Church Assembly. Robin Mann's 'You Are Invited' is a stirring conclusion to the album.
