

NEW ALBUM RELEASES

SONGS of faith-hope-and-love

Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

I am pleased to announce the arrival of two more albums - both from Adelaide bands.

The second KINDEKRIST album was published on LP record in 1974.

THE PUPPETS never-released cassette album from the 1980's finally has the opportunity to find a 'world stage' via the music website.

I hope you continue to enjoy the variety of songs that are now available to stream and download free of charge. The song lyrics can also be downloaded or viewed embedded in the 'musical note' while songs are being played.

Thanks for following our website.

FATHER SONGS provided fresh sounds for the "Jesus Movement" in the early 1970's. KINDEKRIST'S music reflected both a concern for issues of social justice as well as expressing Biblical and spiritual themes.

The band's name is derived from the German for "Children of Christ".

I enjoyed the live performances of THE PUPPETS in 1986. My favourite song was "Give It A Go" - maybe it was because I grew up picking oranges in a country town, or possibly because of the catchy tune. My 4 year old grandson often requests "Batman" while we are driving in the car.
