# SONGS of faith-hope-and-love

*Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.*

Leading up to Easter, we are pleased to release 11 more songs from the GOD GIVES 4 CD album published by 'Uniting Education' in 1998. We hope you can utilise these songs capturing moments from Palm Sunday, Good Friday, Resurrection Day and Pentecost.

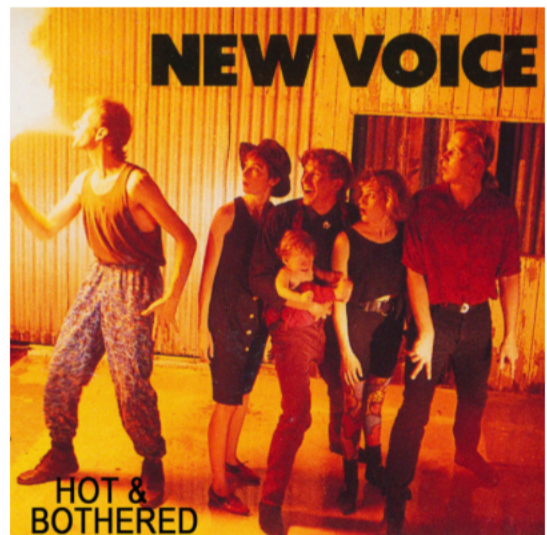

Get ready for some high powered 'electro-rock' from the band NEW VOICE. 'Hot & Bothered' was their second album, released in 1992 after their extended performances in Adelaide during 1991. 'New Voice was an ambitious attempt to integrate a broad arc of life, faith and artistic endeavour.'

**Mal Graetz**

**GOD GIVES 4 Easter-Pentecost** album features songs from Gerry Holmes, Leigh Newton, Jan Oliver, Steve Heron, Paul Grant & Marion Palmer. Their songs bring some 'down-to-earth' moments of Jesus' last days on earth, revealing that this Jesus didn't entertain the pomp and ceremony of an 'earthly' king. 'Night time turns to day' as the Holy Spirit encourages us not to be scared anymore. 'God has come to be with us!'

**HOT & BOTHERED** songs are not for the faint hearted! They challenge our faith and lifestyle in regards to our technological addictions, our attitudes to indigenous people and our pleasure seeking society with its obsession for fashion. 'Wake up there's a world around you, freedom is all around you now'. Have we the courage to face our shortcomings and explore the God-given opportunities in our amazing world?
