INTRO **A D A E**

V1 **A D A E**
Bread and wine - earthly sign, Jesus' body, Jesus' blood.
A D A E A E
Just a taste, just a glimpse of our heavenly inner peace.

V2 **A D A E**
Candle light, burning bright - God is with us in this place.
A D A E A A7
Flickering, like stars do, we can shine like candles too.

MIDDLE 1 **D A E A**
Purple, red, white and green -
D A E
colours lead us through the year.
D A E A
Just like seasons come and go -
D E F#m E
symbols help us all to grow.

V3 **A D A E**
Little seed in the ground - just like Jesus in the tomb.
A D A E A A7
Reaching up, to the sun, our new life has just begun.

MIDDLE 2 **D A E A**
Holy Spirit like a dove -
D A E
coming down to rest on us.
D A E A
God has sent a special friend,
D E F#m E
until Jesus comes again.

V4 **A D A E**
Water falls from the sky, just like tears fall from our eyes.
A D A E D A---
Clouds and rain, hail and snow - God helps everything to grow.
