04   TECHNOLOGICAL HERO
© words & music: Rod Boucher 1975 Adelaide South Australia

INTRO   *E* F#m   B A* F#m E* F#m* *Beep beep*   *(E* A* open barre on 2nd fret)*
              E F#m   B A* F#m E* F#m* *RRRRRrrrrrrrrrrrrrr*
              E F#m   B A* F#m E* F#m*

              F#m   *A*
V1   Turn on the switch, check all the lights, adjust the dials and wheels,
              F#m   *E*
              foot to the floor, hand on the lever, you know how it feels.
              F#m   *D*
              One to the right, one to the left, a dozen in between.
                   F#m   *B   A* F#m*
              'Cos I'm a   go-getter, a jet-setter, a do-better, I'm a mean machine.

                                       B   F#m   B   F#m
CHORUS   'Cos I'm a Technological Hero, yes I'm a Technological Hero.
                         F#m A Bb B   *F#m---*
                         And we are all------ 2 3 4 Technological, Technological fools.

INTRO   *E* F#m   B A* F#m E* F#m* Neenaw neenaw nee
              E F#m   B A* F#m E* F#m* squeeek squawk
              E F#m   B A* F#m E**

                   F#m   *A*
V2   I've got arms of steel and legs of iron, big, brassy and bold,
                       F#m   *E*
              I've got a tongue, a rapier wit and a heart of gold.
                      F#m
              I've got a mind like a sewer and there's nothing truer   *D*
                                              than I stink to high heaven and kingdom come.
                   F#m   *B   F#m*
              Can anybody see that I'm you and me in a matter-realistic 'Hell on Earth'?

                                       B   F#m   B   F#m
CHORUS   'Cos I'm a Technological Hero, yes I'm a Technological Hero.
                         F#m A Bb B   *F#m---*
                         And we are all--- 2 3 4 Technological, Technological, Technological fools.

                           A---   *G#m---*   *F#m---*
MIDDLE 1 All the priests and the prophets bow down to me, bow down to me, (bow down to me),
                           A---   *G#m---*   *F#m---*
              all the freaks and the busy-ness men and the high society.
                                       B   F#m   B   F#m
              'Cos I'm a Technological Hero, yes I'm a Technological Hero.

                           A---   *G#m---*   *F#m---*
MIDDLE 2 All the heads and the hands and the feet bow down to me (bow down to me)
                              A---   *G#m---*
              'Cos I'm the hope of the Age and the Age is crying,
              A
              Hear me crying? (Yeah) Hear me sighing (Aahh) Hear me dying? AAAaaaaaaa

                           B            F#m           B          F#m
CHORUS         'Cos I'm a Technological Hero, yes I'm a Technological Hero.
               F#m A  Bb  B
               And we are all------ 2 3 4 Technological, 5 6 7 8 Technological,
                                                                    F#m---
               9 10 We are Technological, Technological, Technological fools.
