1 Jesus - Good Morning (Rod 91)

Jesus - Good morning, this is your day. We wouldn't have it any other way. END: O.K.?

2 Thanks God (Gerry 92)

In the summer-
time we can go
to the beach.
Play lots of
games; icy poles
to eat. Oh yeah!
Oh wow!
Thanks God!

In the autumn
time we can run
in the park. Play
hide'n' seek
until it gets dark
Oh yeah!
Oh wow!
Thanks God!

Chorus A

All year around in the country or the town

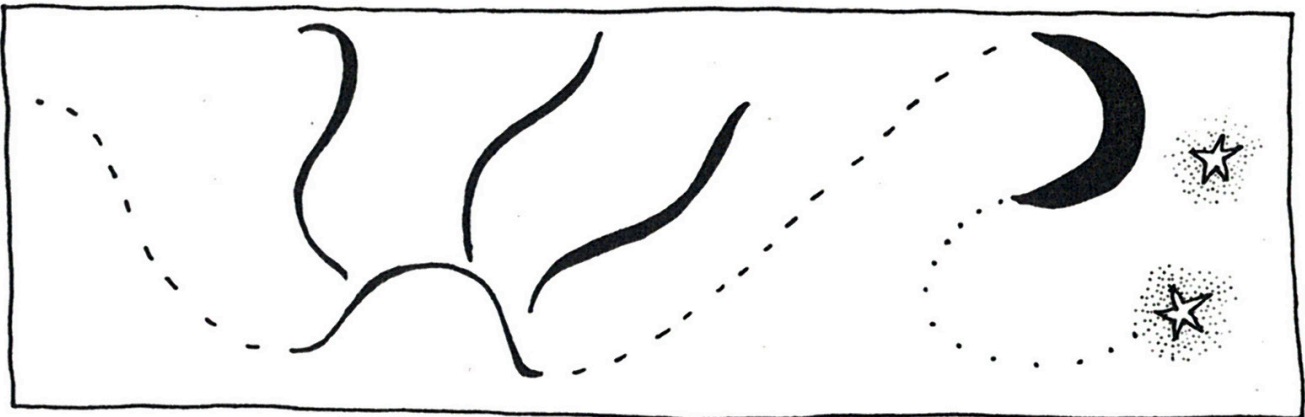

Thanks God ... (Thanks God)

Every single day we can find a little way to say

Thanks God ... (Thanks God)

And here are four more things ...

(all together now)-Thanks God!

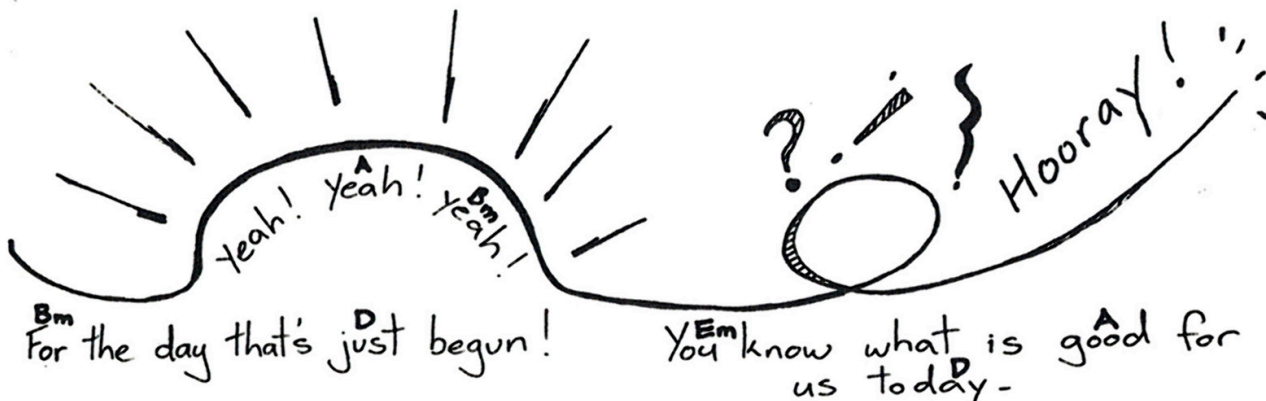

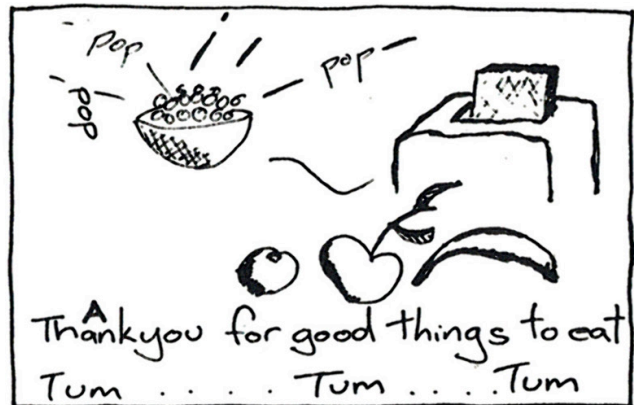

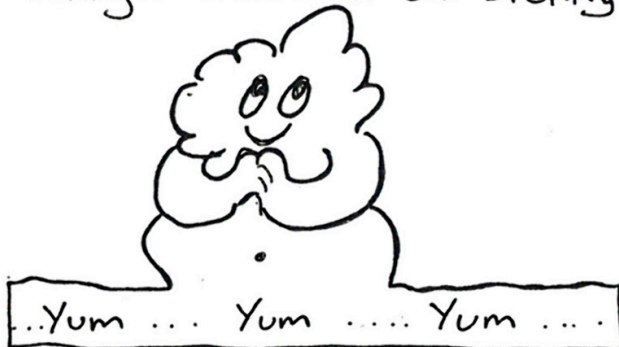

In the winter-
time we can
ski on the
snow. Isn't it
amazing just
how fast we
can go. Oh yeah!
Oh wow!
Thanks God!

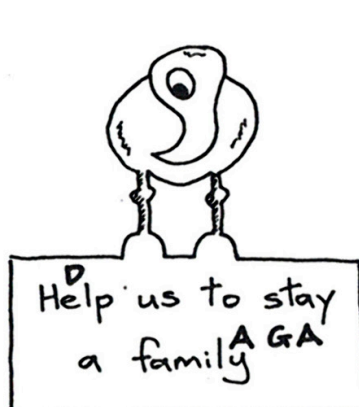

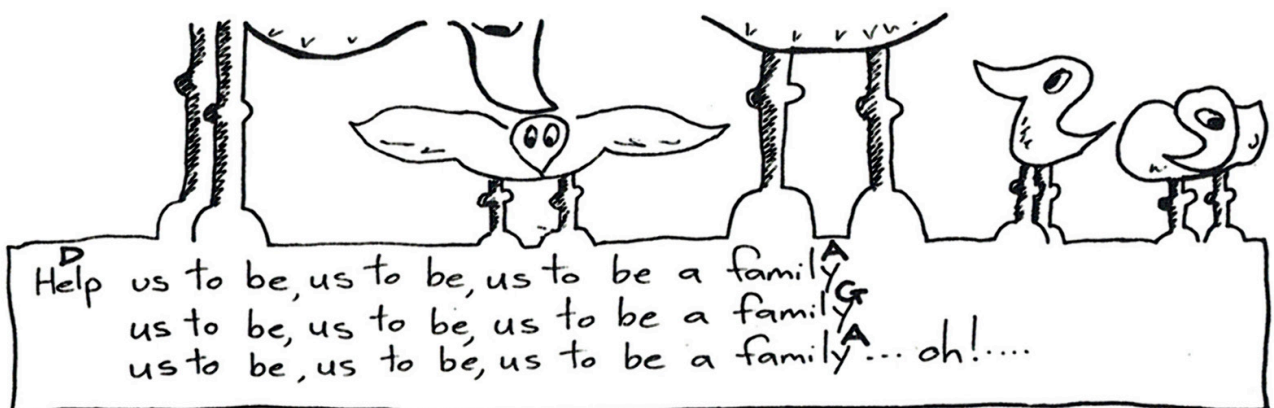

In the springtime
we can walk in
the bush. So
much to see
when we take
a good look
Oh yeah!
Oh wow!
Thanks God!

3 Thank You Jesus For Our Brekky (Jo 90)

Thankyou Jesus for our brekky

11 Special People (Gerry 93)

Special people, special people, there are lots of special people
 in the family of God! x3
 We can name a few!

12 Our Hero (Rod 93)

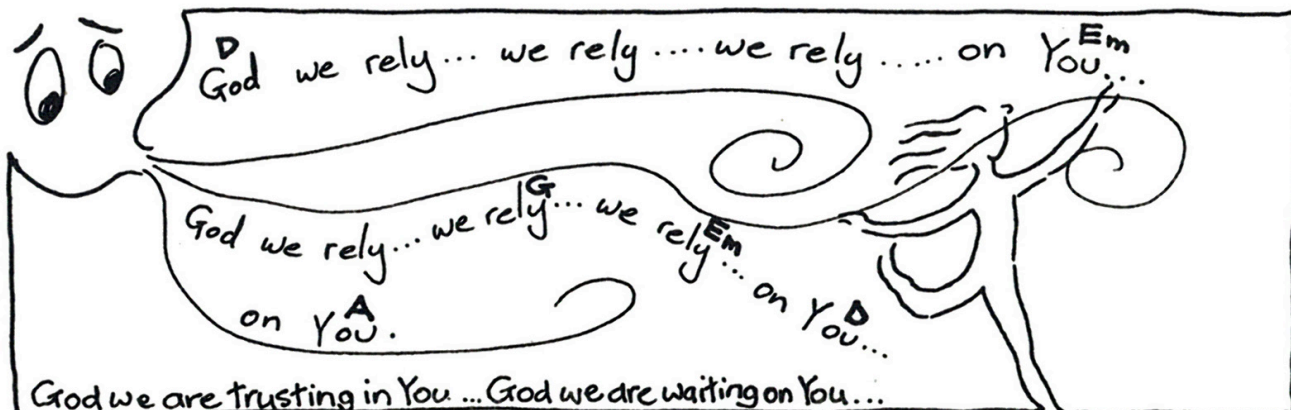

When there's blood on the ground and there's mud in the air
 and our eyes have been blinded by darkness
 when there's fire in our soul and there's ice in our veins
 and our minds have been numbed with the sadness.

That's when the people need a hero. A hero who will die for a friend.
 A hero who knows the pain and the strife
 and gives us new life.

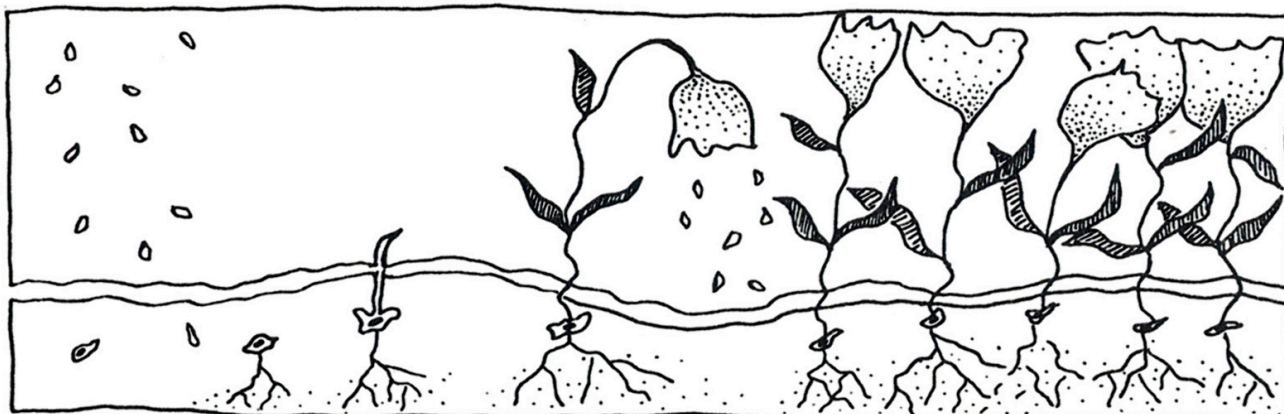

Jesus is our hero, Jesus is our friend. Because he died
 and rose again. We can have life... life... life
 That never ends ... never ends.....

13 God We Rely (Gerry 94)

14 Unless... (Rod 93)

Unless... Unless... Unless... Unless a seed falls and is
 buried in the ground, it cannot be born again.
 So when a seed falls and is buried in the ground
 (it brings us) NEW LIFE
 (it brings us) NEW LIFE
 (it brings us) NEW LIFE good friend... END. UNLESS!

1. Jesus you have told us
 how God is working in us
 And when we let our worries
 be carried by the spirit
 (they will) Fall, fall down
 (and we will) Rise, rise up
 (and we will) Live, live, live
 live, LIVE

2. Jesus you have shown us
 how when we do what God wants
 and strip off all our selfishness
 to leave our lives wide open
 (we will) Clear, clear out
 (and we will) Take, take in
 (and we will) Grow, grow, grow, grow
 GROW. Chorus + end.

15 Honest To God (Gerry 93)

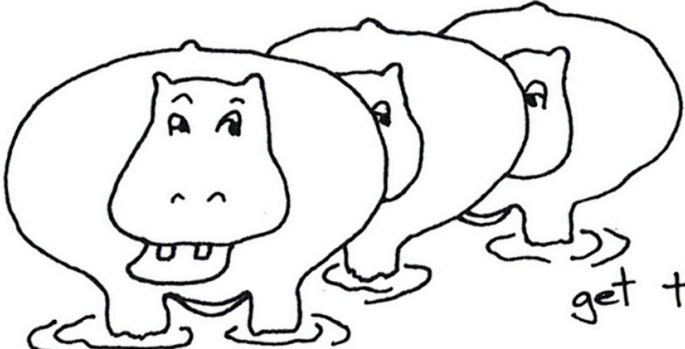

Let's be honest to God in everything we do.
 Let's be honest to God and always tell the truth.
 For everything we cover up, and everything we hide
 away, will end up in the light of day.

Honest to God! x2
