V1 **E B E**
We live a hope
B C#m E B A B
that is as old as the hills and young as a baby.

We believe that we are made
B C#m E B A B
to hold a gift more precious than the whole wide world.
A B
This is our call.

CHORUS **A B E C#m**
Love one another;
B A C#m E
graciously with humility.
B A C#m E B7
tenderly like a mother's love.

V2 **E B E**
We did not choose,
B C#m E B A B
but it is God taking us to be His people.
A B A E
Through the years we have the light
B C#m E B A B
of everyone who looked to faith as its own reward
A B
and heard your call. CHORUS

V3 **E B E**
The servant king,
B C#m E B A B
who comes to us in the poor, the lonely, the hungry.
A B A E
Is to be the measure of
B C#m E B A B
all those who would be first on earth and in heaven.
A B
His servants. CHORUS
