

03 BROKEN FOR YOU

© words and music Boyd Burdette & Rod Boucher 1996 on the road in USA

We were based in Edinburgh in 1996, having performed "Tribe" in the Fringe with BedlamOz but also joined the tours of Rebecca St James in the USA as family friends and hopefully as a 'country song' composer with her support band. Boyd was in that Jeff Silvey band and I have always enjoyed composing with others.
