Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

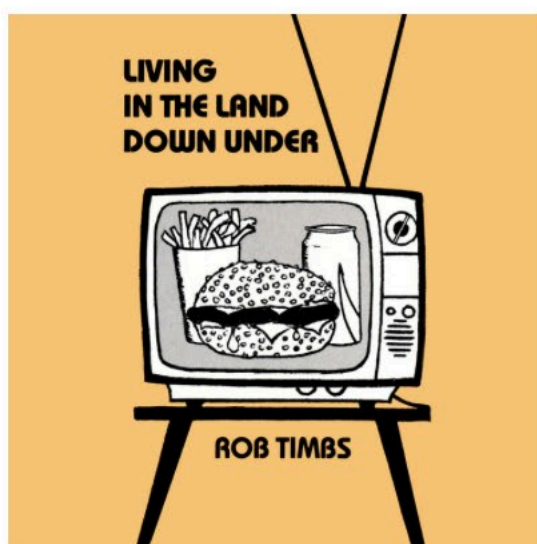

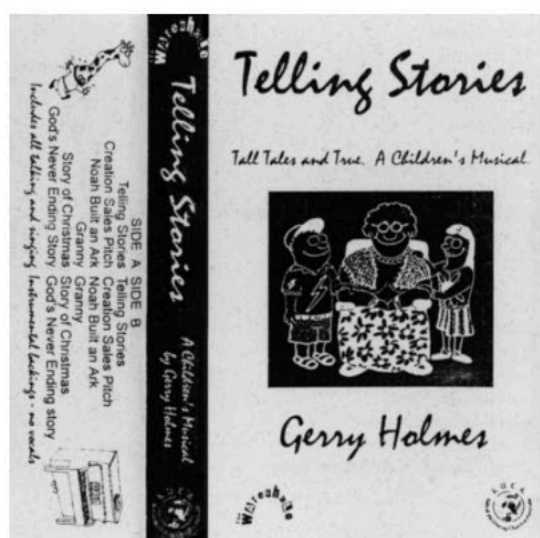

Telling Stories is a wonderful Kids' Musical from Gerry Holmes that will still catch the attention of young and old alike. It was performed at the Uniting Church Kids Campout at West Beach Caravan Park to an audience of 3,000 people in March 1997.

Recorded in 1989, **Living In The Land Down Under** is another album from Rob Timbs. This 'lyrically challenging' collection of 10 songs was a collective effort with Rob gathering Adelaide musicians to bring his songs to life.

It has been 5 months since our last New Releases on SOFHAL website. A number of albums are being processed but often it takes time for artists to provide the permission and song details. Other projects have also been on my priority list.

Recently, 100s of Australian albums have come my way courtesy of two other 'collectors'. We are exploring options of processing these pre 2000 albums at a faster rate.

The musical has a great story line boosted by six dynamic songs. A celebration of God's stories in the Bible and the ongoing stories still being told through our lives and times. I have a soft spot for the musical as I witnessed it live, and, two of my sons performed that night. Vivid memories of that outdoor event when a Harley Davidson motorcycle delivered Jesus' mother on stage!

Rob's album takes a snapshot of Australian society in the 1980s. "We've lost our age of innocence/ wonder... we cannot claim immunity, living in the land down under. Manipulated by the radio and TV shows... it's time to talk to each other... if you want love, you need to give it away." A variety of songs that are just as relevant today in 2023.
