faith-hope-and-love

Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

Two more albums have been uploaded to our website. SON OF MIGHTY GOD by Gerry Holmes, his family & friends brings another 20 kids songs to life.

Rod Boucher's GIDDAY! album captures 15 of his songs from the 1970's. These songs are now available to stream and download free of charge. The song lyrics can also be downloaded or viewed embedded in the 'musical note' while the songs are being played.

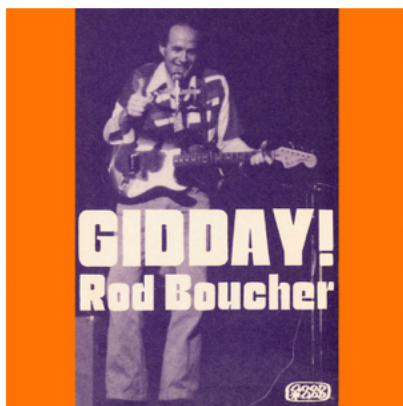

Once again, thanks for following our website.

More albums to come soon.

SON OF MIGHTY GOD explores the many names attributed to JESUS, visits the Biblical characters of Zacchaeus, John the Baptist and Jonah, and looks at the possibilities of creating 'A Better World'. I love the 'Walking Stick' song that calls us out to 'worship' along with the saints of old - a bit confronting with David's worship style! Enjoy these songs along with your kids, grandkids or 'young at heart' friends.

Relive Rod Boucher's ONE MAN'S BAND days of the 1970's. Some of the songs can be 'in your face' as Rod explores the effects of technology on our lives, despairs at the decline of Planet Earth and calls the 'Woodys' of this world back into the fold. The classic 'Life's Been Good To Me' and 'Aussie Sing and Dance' songs encourage us to get our dancing shoes on and celebrate the good things in life.
