INTRO Yoohoo x 8 **C** (Alright now)

V1 Well we were sitting around last Saturday night and we didn't know what to do.
Well I was talking to my wife and she said, "Rodney, why it's plainer to me than you.
What we need is a little bit of home grown good old Aussie Rock'n'Roll."
So I phoned up the friends and we had 'em around and we made that neighbourhood go.

BRIDGE We did - Good old, good old, Aussie dance and sing.

INTRO **C** Yoohoo x 8 (Oh)

V2 So we turned off the television, turned off the radio and the records too
and we took out the guitars and we took out the drums and the old piano tunes.
and we did what you'd call a little home grown good old Aussie, dance and sing.
Everybody jumped, everybody danced, everybody sang along.

BRIDGE We did - Good old, good old, Aussie dance and sing.

CHORUS Yoohoo Yoohoo Yoohoo (everybody, everybody, everybody)

CHORUS Yoohoo Yoohoo Yoohoo (ha ha alright)

V3 So come on over to our place people if you find you've got nothing to do.
Take out your guitars and your dancing shoes, we're gonna go the whole night through.
And even if the copper comes a'knockin' at the door, to tell us to quit the din,
we'll say, "Shake up the rest of the boys of the band, you're all invited in."

BRIDGE And we will - Good old, good old, Aussie dance and sing.

BRIDGE Good old, good old, Aussie dance and sing. (alright, alright?)

CHORUS Yoohoo Yoohoo Yoohoo (alright, let's pick it up a bit)
