Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

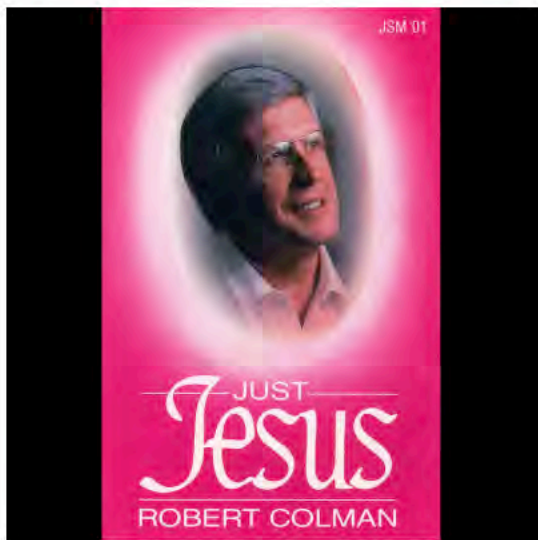

Greetings to all Mailing List subscribers in 2025.

In 2024 we saw the passing of two Christian brothers who spent most of their lives serving their Living God, with a particular focus on music.

Robert Colman grew up in Sydney and studied singing at the Sydney Conservatorium from 1958-1962. He married his wife Carol while working in the UK and returned to Australia with their two children in 1974. He released numerous albums and was involved with Christian ministry in the following decades.

Richard Berry was born in Adelaide in 1948 and had a Salvation Army upbringing. At 15 he became part of a 'Seekers-style' group called the 'Messengers'. He was president of the 'Gospel Singers Association of South Australia' for 8 years and formed 'Solsound Promotions' in 1974.

JUST JESUS released in 1988 was the first of 3 albums forming a trilogy to Father, Son and Holy Spirit. "I've always enjoyed singing worship songs.... Join me in praising the Lord Jesus Christ.... then join me in serving Him and so shine His light into this dark world."

Richard promoted Christian artists coming to South Australia as well as touring local artists. I have published a PDF book which documents many of the Solsound concerts held in S.A. You can also access the Photo-movie that was played at his funeral on the 1st August 2024.
