

NEW ALBUM RELEASES

SONGS

of
faith-hope-and-love

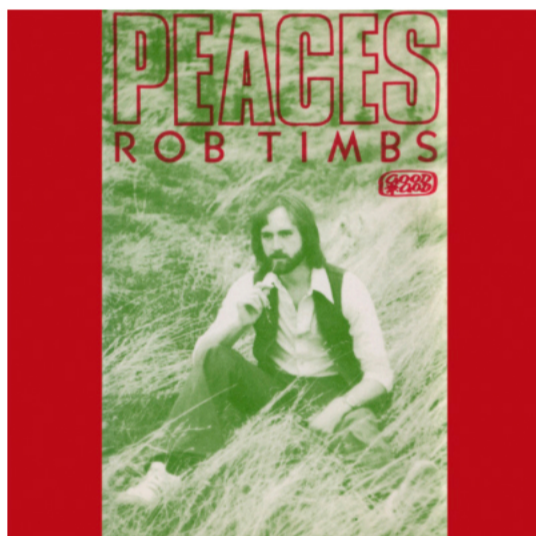

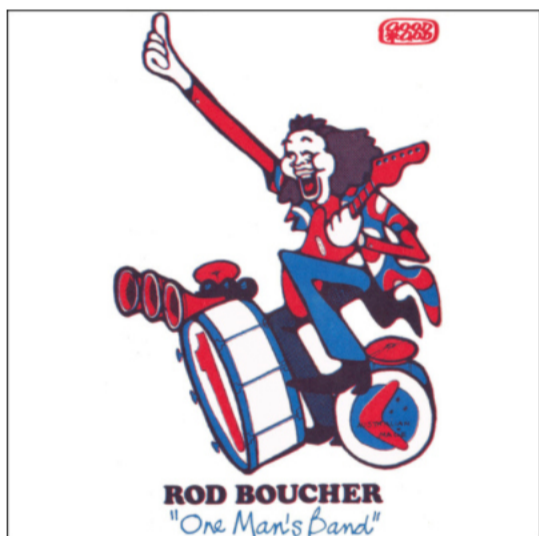

Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

We are releasing two albums from 1979 this month. Both were recorded in Adelaide by Christian musicians resident in Adelaide at the time.

Rod Boucher traversed the country over 7 years with his versatile, easy to transport "One Man's Band" outfit revealing a 'raw Aussie touch' to his songs.

Rob Timbs released his third lounge room recorded album with lyrics inviting the listener to enter a new life with 'love' and 'Jesus' being pivotal.

I had the privilege of witnessing numerous shows of **ONE MAN'S BAND** as a support band, on the streets and in a 'coffee house' setting. Rod Boucher's "No Worries Luv" and "Every Little Bit Of Australia" songs became familiar to many Aussies around the country. These 15 songs complement his "Giddy" album released in the same year. Be prepared for some 'raucous' song renditions as well as some 'tender' lyrical moments!

Rob Timbs recorded 12 albums over 24 years of his prodigious and unassuming musical career. He was a prolific songwriter and musical composer, excelling in multiple instruments. He travelled the country playing to thousands of school students and performing at Christian concerts. "They Say I'm A Dreamer" gives a hint of the influence from Bob Dylan. I hope you enjoy the **PEACES** album as I have in recent days.
