*Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.*

We are releasing two albums from the mid 1990's. Gordon Mullen was an 'unknown' to me - maybe because he only published one album. The songs on the **HOLD ON** album are a poignant reminder of society's issues today.

Songs from **BLOOD** by Company of Sinners are an opportunity to discover again this Easter season 'the life-giving power of foolish love'. I was privileged to see a live performance of the musical BLOOD in 1995.

**Mal Graetz**

We managed to 'salvage' the six tracks from the **BLOOD** cassette album which was released at the time of Holy Week performances. The songs were crafted by Adelaide musicians with inspiration from Steve Daughtry who wrote and directed the production. Even our current Adelaide ABC Radio personality Peter Goers gave a 'very good' newspaper ARTS Report at the time.

Recording for the **HOLD ON** album brought together an impressive line up of musicians to compliment Gordon in his attempt to make sense of the world around him. 'An album with as many questions as answers'. I encourage the 'brave' to examine the 10 tracks and see whether the songs can shed light on our current world as we struggle with multiple adversities along with the Covid pandemic.
