Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

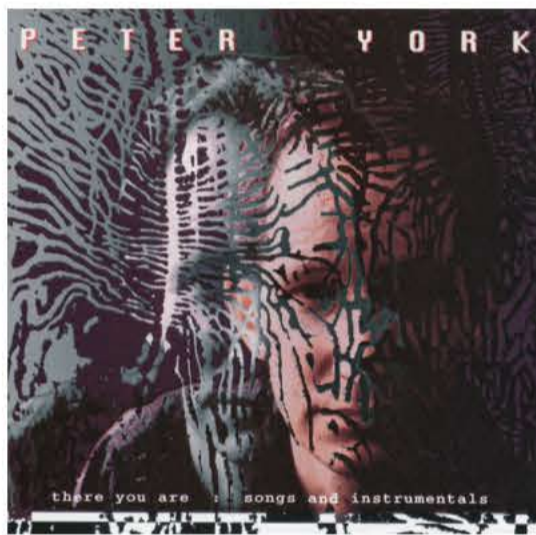

We have published Peter York's "There You Are" album from 1995. Released on CD, there are six instrumental tracks accompanied by a diverse range of songs. "Darkness and light, good cheer and heart cries, this collection is varied yet cohesive".

We also introduce you to a dynamic and mixed array of instrumental tracks. In 1980, Rob Timbs recorded this cassette album in which he produced and played all the instruments. I hope you enjoy the wonderful renditions from "For All In Tents and Porpoises".

The album begins with a lively delivery of 'Fifteen Inches Per Second'. There are many excellent tracks which highlight Rob's guitar expertise and music composition brilliance. Having learned 'Jesu, Joy Of Man's Desiring' on violin, I enjoyed this guitar rendition. Rob has used wordplay on most of his song titles signalling his creative sense of humour.

Peter York was an adventurous artist to attempt this combination of songs and instrumentals. It took me a while to get past the front CD cover - I also liked to experiment with new technology during the mid 90's. Relax in your recliner with an adequate sound system to experience this album to its fullest. You may identify with similar struggles and joys.
