CHORUS **E** **F#**  
Every little bit of Australia is a little bit of you and me.  
**B** **E** **B7**  
Every little bit of Australia is a little bit of you and me.

CHORUS

V1 **E**  
We've got the Kindy's and Beginners and the Primary Schools  
**F#**  
where the kiddies learn to read and write.  
**B**  
We've got the Colleges and Universities  
**E** **B**  
for the ones that seem so bright.  
**C#**  
We've got the Technical, Trade School, Apprentices  
**F#**  
for those who like to use their hands  
**A** **E**  
and all the ones left over,  
**B|** **E---** **B7**  
get to sing in rock'n'roll bands. Let's hear you.

CHORUS

V2 **E**  
We've got the footy on a Saturday afternoon  
**F#**  
where everybody rants and raves.  
**B**  
We've got the big new American Supermart  
**E** **B**  
where the house-husbands shop and save.  
**C#**  
We've got Clubs and Tattersalls, TAB,  
**F#**  
where we try to win a quid,  
**A** **E**  
but the Tele and the all-night radio,  
**B|** **E** **B7**  
one of the best things we ever did. Your big chance.

CHORUS

V3 We've got the Swan and the Torrens and the Brisbane too,  
all the rivers run through the towns.

We've got the Murray and the Yarra, Sydney Harbour,  
where the water is thick and brown.

We've got the Snowy and the Ord and Woomera  
that are put there for our sake,  
but to bung the politicians in Canberra  
was the smartest move to make.

V4 We've got birds and animals all our own (what's left of 'em)  
and of course, the aborigines. (what's left of 'em)  
We've got a wonderful virgin country. (what's left of 'em)  
It's a land so wide and free. (what's left it going cheap to anyone with a mining licence)  
We've got cities and towns and migrant friends,  
a great Australian dream-----, CHAT  
take all your papers and tins and things,  
"Keep Australia Clean!" Ladies.

CHORUS Blokes
