I am pleased to announce the arrival of 2 albums originally released in the 1990's. It has been a great privilege to work with these artists and their families over several decades. I hope you enjoy the variety of songs that are now available to stream and download free of charge. The song lyrics are also included and can be downloaded.

*Rod Boucher's "Reflector" album is confronting but also brings rays of hope in an ailing world. I believe his songs are as relevant in 2021 as they were when written in the late 20th century. They help to bring in focus what is most important in life ~ the uniqueness of people, and, the life-giving Creator God.*

REFLECTOR ALBUM

*My kids were raised on the "Mighty God" songs. I was privileged to work with Gerry and his family when these songs were written for both church and neighbourhood kids. The fresh sounds & fun lyrics still resonate with me today. "Happiness is waiting to grab you from behind, when you follow Jesus, body soul and mind".*

MIGHTY GOD ALBUM

We have also created an **ARTISTS** page on the website so you can follow their musical journey. We hope to add more artists and albums to the website in 2021. Please let me know if there is a pre 2000 album that you would like to see considered for publishing.
