SONGS of faith-hope-and-love

Late 20th Century songs written, recorded and sung by Christians in Australia and beyond.

We have managed to revive nine Christmas songs from the GOD GIVES 4 CD album published by 'Uniting Education' in 1998. A great resource as we move into Advent.

I enjoyed preparing these songs for this website. Hope you enjoy them too! Peter York's 'Fun Songs for Kids' album has also resonated with me, as I was hearing many of these songs for the first time. Released in 1999, Peter, in collaboration with a variety of musician friends compiled an inspiring collection of songs for this album.

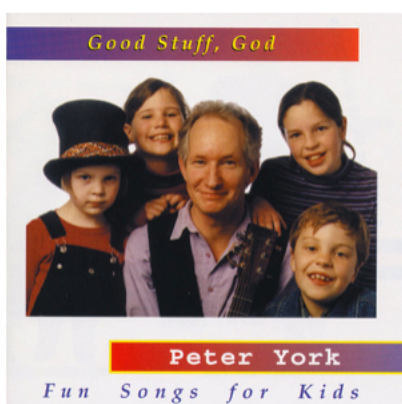

Christmas greetings to all on our mailing list.

GOD GIVES Book 4 Christmas Songs come from a 40 track CD which focuses on special events in the church calendar. Well-known musicians Gerry Holmes and Leigh Newton each wrote a song. Two others were written by Rachel and Kerry who were aged 8 and 10 at the time. We have included the lyrics and chords to make it easier to play along.

GOOD STUFF, GOD has many outstanding tracks. My favourite is 'Thank You God for the Sea' which has a dynamic choir of kids backing up Peter York's vocals. I'm sure younger kids will want to join in with the 'In My Orchestra' song. So many instruments were used in this diverse range of songs. This album should revive the kazoo!
