V3 We've got the Swan and the Torrens and the Brisbane too,
 all the rivers run through the towns.
 We've got the Murray and the Yarra, Sydney Harbour,
 where the water is thick and brown.
 We've got the Snowy and the Ord and Pine Gap
 that they put there for our sake,
 but to bung the politicians in Canberra
 was the smartest move to make. Aaaaawww.

V4 We've got birds and animals all our own
 and of course, the aborigines.
 We've got a wonderful sunburnt country.
 It's a land so wide and free.
 We've got cities and towns and migrant friends,
 a great Australian dream-----.
 So take all your papers and tins and things,
 "Keep Australia Clean!". AaaaawwwAaaaawwww.

CHORUS Every little bit of Australia is a little bit of you and me.
 Every little bit of Australia is a little bit of you and me-----.

CHORUS Every little bit of Australia is a little bit of you and me.
 Every little bit of Australia is a little bit of you and me-----.

CHORUS Every little bit of Australia is a little bit of you and me.
 Every little bit of Australia is a lit-tle bit of you and me-----.
